## **ABC Trek**

Have known the guys from **Mega Adventures** for over 10 years and used them to help 7 previous trips to Nepal. They have always been very professional and bend over backwards to do what they can to make a trip to Nepal everything it can be. This time I went to ABC on a 14 day trek with Min. Had a great time even though the weather didn't play ball the whole time. I can with total confidence recommend using Mega Adventures for any trip to Nepal. You will arrive as a client and leave as a friend.
