## Testimonials

### Rafting

**Mega Adventures** i great company, that can combine being professional and being real friendly. Did a whole day rafting, which was great. At the same time they showed us great places to go in Kathmandu. All my recommendations and thank you **Mega Adventures!**

## **Rafting !!!**

This was my first time rafting and I had so much fun! The guide was very skill full and and he really made the most out of every situation in the water. My group all liked to go rough so even though the water wasn't very stream he knew where to go to find the most challenging way, where we even fell out of the raft at times.

Everything throughout the day was really well managed.
